

## Come and see for yourself!

The challenge of finding hope in the Middle East was answered by a dozen pilgrims from all over Northern California who traveled to the "Holy Land" of Israel and Palestine late last year. You can learn of their transformation and their commitment to bring hope to the village of Wadi Foquin.

Join us on April 13th, Saturday, from 4 pm to 7 pm, at Castro Valley United Methodist Church, to hear from the pilgrims, share in a delicious Middle Eastern dinner, and watch the powerful new documentary, "Imprisoning A Generation."

Tickets are \$25 per person or \$185 for a table of 8.

To purchase tickets, please write checks to "BMU-FoWF" with "Pilgrim Dinner" in the memo line. Checks can be mailed to Rev. Emily Lin, 1411 Oak St., Alameda, CA 94501

This event is a benefit to raise funds to build a guest house in the village of Wadi Foquin, near Bethlehem. Your generosity is appreciated, so please bring your checkbook!
